and to apply for current MEA job openings

---

Matanuska Electric Association, Inc. (MEA) is currently recruiting for a Project Engineer. This position oversees the design and construction of transmission and switch yard/substation facilities and coordinates project activities with various internal and external personnel to ensure on budget and timely completion of reliable, high quality transmission and switch yard/substation facilities.

Qualified candidates must be self-directed with exceptional project management skills. Preference will be given to candidates with Project Management Professional (PMP) certification and responsible engineering experience in the design and construction of substations, system protection and transmission lines. The successful candidate will embody and promote MEA's Core Values to include promoting safe work practices, integrity, accountability, teamwork, communication, and continuous improvement.

MEA is a progressive generation, transmission, and distribution member-owned cooperative, with a service area of over 4,300 square miles, serving over 60,000 members.

MEA offers a competitive compensation package which includes exceptional benefits. These benefits include: medical, Rx, dental and vision insurance (low premiums and deductibles), an optional health and dependent care flexible spending account, long-term disability insurance, accidental death and dismemberment insurance and life insurance. MEA also provides two pension plans: a 100% employer paid Defined Benefit pension plan, and a 401(k) Defined Contribution pension plan with a 2% employer match. MEA also offers a PTO plan that accrues per length of service (22 days accrued after the first year, up to 30 days accrued after 8 years of service), and 11.5 paid holidays.

This position will report to MEA's offices in Palmer, Alaska, nestled in the Matanuska-Susitna (Mat-Su) Valley, surrounded by the majestic Chugach Mountain Range, just 45 miles from Anchorage.

Come join our dynamic, collaborative team where you will have an opportunity to contribute your expertise at one of the most desired employers in the Mat-Su Valley.

For a complete list of detailed job qualifications and to apply online, please visit MEA's website at [www.mea.coop](http://www.mea.coop). MEA is an EEO/M/F/D/V employer.
